Item: Review 2020 Council Goals

1. Action Requested:

Review and discuss Council goals for 2020.

2. Background:

Council's goals have remained largely constant over time. The goals address broad themes rather than actions or tactics. Staff has not proposed any changes from the 2019 goals. Council should discuss and propose any adjustments, deletions, or additions to the 2020 goals.

3. Budget Impact:

[Draft 2020 Council Goals](#)

> PROTECT PLYMOUTH'S STRONG FINANCIAL POSITION.

Maintain Plymouth's fiscal health by implementing long-term revenue and expenditure plans to ensure sustainable operations with a reasonable tax level. Utilize non-property tax funding sources where appropriate.

> MONITOR ECONOMIC CHALLENGES.

Continue to evaluate and prioritize services. Seek innovative solutions to maintain high quality core services, promote financial transparency and protect Plymouth's strong financial position and quality of life.

> PROVIDE EFFICIENT AND EFFECTIVE SERVICES.

Continue to explore partnerships with neighboring communities, school districts, businesses, watersheds and other agencies to decrease costs through shared services and eliminate duplicate efforts. Streamline processes through the use of technology. Evaluate community trends and consider associated facility and service needs.

> PROMOTE TRANSPORTATION SOLUTIONS.

Focus on improvements to Highway 169, Highway 55 and continue to explore other transportation options. Seek funding partners for rail crossing improvements and I-494 crossing improvements.

> DEVELOP NORTHWEST GREENWAY.

Continue development of northwest Plymouth as it progresses, continue planning and construction of the Northwest Greenway and park system amenities.

> IMPLEMENT ENVIRONMENTAL INITIATIVES.

Collaborate with City EQC, watershed commissions, and district to ensure effective progress on water quality mandates. Continue energy conservation efforts in city buildings and promote recycling.

> IMPLEMENT PROACTIVE PUBLIC SAFETY INITIATIVES.

Continue proactive policing strategies using technology and collaboration to promote and enhance livability. Build on the successes of fire prevention and fire service programs for a safe community.

> PROTECT THE CITY'S INFRASTRUCTURE INVESTMENT.

Ensure that the city can protect and enhance the useful life of city assets (streets, utilities, parks, trails, facilities and fleet). Continue to monitor financial resources and economic conditions, and consider timing with regard to infrastructure needs as identified in the Capital Improvement Program.

> CONSIDER DEVELOPMENT AND REDEVELOPMENT REQUESTS.

Continue to carefully consider land use related to development and redevelopment to ensure a well planned community with a varied tax base. Build on Plymouth Proud business initiatives.

> DEVELOP A RENEWED VISION FOR CITY CENTER.

Explore options for continued development and redevelopment of City Center. This would include placemaking efforts, beautification, and safety. Pursue public-private partnerships to bring additional community activities/uses to City Center.
