## Lawful Gambling

Tom Hewitt, Tracee deNeui, and Tracy Ohlendorf, gambling managers from the Wayzata Youth Hockey Association, Armstrong Cooper Hockey Association, and Plymouth Lions Club respectively, provided an update to the Council on their pull-tab operations, specifically, where they donate the proceeds.

Councilmember Willis commented that if any of the establishments that have lawful gambling, have issues with their liquor licenses, that's a serious matter and has no relation to the lawful gambling operations.

The Council thanked the organizations for providing an update and stated there are no reasons to make any changes to the current gambling ordinance.

## Health Care Reform/Insurance Premiums

Human Resources Manager Kone and Human Resources Coordinator Moreen provided a requested update on the health care reform and its impact on Plymouth as well as health insurance premium considerations in the future for City employees.
