to improvement of  
Woodfield Ave.

Enoch Peterson, Chairman of the Planning Commission and Mr. Carlson and Mr. Hawks, representing the Minneapolis Industrial Park appeared to discuss the rezoning to industrial certain lands for the Minneapolis Industrial Park. The Planning Commission held an official hearing on June 9, 1960 and no objections of any consequence were presented against the rezoning. The Commission recommended that the 140 acres east of 135th street be rezoned industrial and the westerly 150 acres be considered for rezoning upon the development of the easterly portion of land. Mr. Carlson presented a letter, which was read to the Council, setting out reasons for rezoning to industrial the entire 290 acres in order to plan the necessary improvements of roads and utilities, etc. for the entire project. Mr. Carlson also stated that Minnetonka Village intends to zone for general business purposes their entire 160 acres involved in the project. He also stated he felt the Council should have enough faith in the
